Sept 22, Oct 27 2012**

- a fresh, meaningful experiment in reconnecting to our communities and rehumanizing our democracy.

- neighbors, congregants, colleagues, and students are gathering all over the country to explore the habits of the heart that Parker Palmer describes in his recently released book:

[“Healing the Heart of Democracy:](#)

[The Courage to Create a Politics Worthy of the Human Spirit”](#)

- it’s going to take all of us—minds bright and hearts broken open—to restore this country back to its potential, and we think these circles can be a wonderful contribution to this effort. We aim to nurture personal and professional integrity and the courage to act on it.

This program offered in conjunction with the work of the [Center for Courage and Renewal](#)
